Units: US Feet
Datum: North American Datum 1983
Coordinate System: NJ State Plane
Map Date: July 2023

This tidal elevation map is based on 2022 topographic LIDAR data and may not accurately represent areas modified since 2022. If water elevation is reported in MLLW (Mean Lower Low Water) subtract 3.13 ft. from NAVD88. This elevation model is not intended to replace or modify the FEMA elevation maps. This map was created using MRRI Geographic Information System digital data. The information provided in the data is provided "as is" with no warranty of any kind. This is neither an official state data nor state authorized; it is for information and presentation purposes only.
